

If you've enjoyed yourself today, we look forward to welcoming you to...

Scottish Section Deeside Gathering
CXM Rally, Little Horwood, Bucks
Midland Rally

August 7-13
September 3-5
September 10-12

or one of the many other events organised by the sections through the year.

15th ICCCR

UK YORKSHIRE 16-19 August 2012

2010 National Rally

Heritage Motor Centre
July 18th

Welcome to Gaydon!

We hope the weather's going to be as good today as it's been over the last few weeks – but, whatever it does, we've got something for you.

As well as this programme, you should have been given a voting form for the concours. There's three trophies to be given out, two of which are in your gift. When you've decided which car to vote for, just leave the form in the Citroen exhibition unit before 3.30.

Besides having one of the country's best motor museums at your disposal (the wristband you were given on entry allows you free access to the museum all day), we're sure that the rally itself will give you plenty to see and do. Food and drink are available all day in the licenced café in the museum. There's also the Land-Rover 4x4 experience (they wouldn't let us take a C-Crosser around, and we couldn't find a Kegresse or 2cv Sahara...) and, for the kids, go-karts and a miniature roadway.

The museum is also the location for the club AGM and for the workshop sessions being run throughout the day by the model sections – have a look at the timetable opposite for the times.

Please don't forget to go and say “Hello” to our friends from Murley Citroen, the local dealer in Leamington Spa, Stratford-upon-Avon and Warwick. They'll be glad to answer any of your questions about the current Citroen range or approved used cars. Then, of course, there's the traders and flea-marketeers who would be glad to help fill the boot of your car with all those bits & bobs you'd forgotten you need.

Finally - remember the rally just isn't possible without all those wonderful people who've volunteered to help organise it. I'm sure they'd like a break, too, so if you'd like to help out on the gate or marshalling parking – just ask.

Have fun!

Adrian Chapman, 2010 Rally Organiser

Timetable of Events

10am	Museum Opens
